From the New York Times bestselling author of *The Love Hypothesis* comes a new STEM-inist rom-com in which a scientist is forced to work on a project with her nemesis—with explosive results. Like an avenging, purple-haired Jedi bringing balance to the mansplained universe, Bee Königswasser lives by a simple code: What would Marie Curie do? If NASA offered her the lead on a neuroengineering project—a literal dream come true after years scraping by on the crumbs of academia—Marie would accept without hesitation. Duh. But the mother of modern physics never had to co-lead with Levi Ward. Sure, Levi is attractive in a tall, dark, and piercing-eyes kind of way. And sure, he caught her in his powerfully corded arms like a romance novel hero when she accidentally damseled in distress on her first day in the lab. But Levi made his feelings toward Bee very clear in grad school—archenemies work best employed in their own galaxies far, far away. Now, her equipment is missing, the staff is ignoring her, and Bee finds her floundering career in somewhat of a pickle. Perhaps it's her occipital cortex playing tricks on her, but Bee could swear she can see Levi softening into an ally, backing her plays, seconding her ideas...devouring her with those eyes. And the possibilities have all her neurons firing. But when it comes time to actually make a move and put her heart on the line, there's only one question that matters: What will Bee Königswasser do? AN INSTANT #1 NEW YORK TIMES BESTSELLER "A charming, wholehearted love story that's sure to make readers swoon."—Entertainment Weekly "Nicola Yoon writes from the heart in this beautiful love story."—Good Morning America "It's like an emotional gut punch—so beautiful and also heart-wrenching."—US Weekly

In this romantic page-turner from the author of *Everything, Everything* and *The Sun is Also a Star*, Evie has the power to see other people's romantic fates—what will happen when she finally sees her own? Evie Thomas doesn't believe in love anymore. Especially after the strangest thing occurs one otherwise ordinary afternoon: She witnesses a couple kiss and is overcome with a vision of how their romance began . . . and how it will end. After all, even the greatest love stories end with a broken heart, eventually. As Evie tries to understand why this is happening, she finds herself at La Brea Dance Studio, learning to waltz, fox-trot, and tango with a boy named X. X is everything that Evie is not: adventurous, passionate, daring. His philosophy is to say yes to everything—including entering a ballroom dance competition with a girl he's only just met. Falling for X is definitely not what Evie had in mind. If her visions of heartbreak have taught her anything, it's that no one escapes love unscathed. But as she and X dance around and toward each other, Evie is forced to question all she thought she knew about life and love. In the end, is love worth the risk? **NEW YORK TIMES BESTSELLER** • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today **ONE OF THE TEN BEST BOOKS OF THE YEAR:** Publishers Weekly **ONE OF THE BEST BOOKS OF THE YEAR:** The New York Times Book Review, Time, Entertainment Weekly, NPR, The Washington Post, The Boston Globe, USA Today, Real Simple, Prospect (UK), She Reads, Kirkus Reviews Amy Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. What does every couple want? A close, honest bond with their lover? Great communication and humor? Some romance? To feel loved, passionately, by their partner? A great sex

life that keeps you both begging for more? The truth is that most couples aspire to have all of these vital components to loving relationships. But how do you get it and, more importantly, how do you keep your relationship fresh, vibrant, and sexy over the years? Expert sex and relationship therapist Dr. Laura Berman teaches couples how to become connected, communicative, stable, romantic, and sexually-satisfied, as well as how to plan for a happy, intimate, and fantasy-fueled future together. The Book of Love provides an even split of sex and relationship advice, with the first part of the book offering relationship advice and the second part giving sex advice and technique. Dip into the book to find out the best communication and listening approaches. Learn how to find time together, talk about your sexual needs, use arguments to strengthen your relationship, and flip ahead to find a new position for Friday night. Discover how to create romance, seduce your partner, and share fantasies. Learn which sex positions and techniques to try when you want to increase intimacy, build passion, or experiment with role play. Building on the Real Sex for Real Women formula, Dr. Berman's follow-up book has the same focus on practical content told in a warm, accessible tone. This time she speaks directly to both men and women, helping each to better understand and relate to their partner. The beloved New York Times bestselling author Making Toast and Kayak Morning returns with a powerful meditation on a universal subject: love. In The Book of Love, Roger Rosenblatt explores love in all its moods and variations—romantic love, courtship, battle, mystery, marriage, heartbreak, fury, confusion, melancholy, delirium, ecstasy; love of family, of friends; love of home, of country, of work, of writing, of solitude, of art; love of nature; love of life itself. Rosenblatt is on a quest to illuminate this elusive and essential emotion, to define this thing called love. Cleverly using lines from love songs to create a flowing ballad—as infectious and engaging as a jazz riff—he intersperses fictional vignettes that capture lovers in different situations, ages, and temperaments along with notes addressed to “you,” his wife of fifty years. “The story I have to tell is of you. Of others, too. Other people, other things. But mainly of you. It begins and ends with you. It always comes back to you.” Lively yet profound, poignant yet joyous, The Book of Love is a triumph of intellect and imagination: a personal discourse on love that is both novel and timeless. “An engrossing tale [that] provides plenty of food for thought” (People, Best New Books pick), this playful, wise, and profoundly moving second novel from the internationally bestselling author of How Proust Can Change Your Life tracks the beautifully complicated arc of a romantic partnership. We all know the headiness and excitement of the early days of love. But what comes after? In Edinburgh, a couple, Rabih and Kirsten, fall in love. They get married, they have children—but no long-term relationship is as simple

as "happily ever after." The Course of Love explores what happens after the birth of love, what it takes to maintain, and what happens to our original ideals under the pressures of an average existence. We see, along with Rabih and Kirsten, the first flush of infatuation, the effortlessness of falling into romantic love, and the course of life thereafter. Interwoven with their story and its challenges is an overlay of philosophy—an annotation and a guide to what we are reading. As The New York Times says, "The Course of Love is a return to the form that made Mr. de Botton's name in the mid-1990s...love is the subject best suited to his obsessive aphorizing, and in this novel he again shows off his ability to pin our hopes, methods, and insecurities to the page." This is a Romantic novel in the true sense, one interested in exploring how love can survive and thrive in the long term. The result is a sensory experience—fictional, philosophical, psychological—that urges us to identify deeply with these characters and to reflect on his and her own experiences in love. Fresh, visceral, and utterly compelling, The Course of Love is a provocative and life-affirming novel for everyone who believes in love. "There's no writer alive like de Botton, and his latest ambitious undertaking is as enlightening and humanizing as his previous works" (Chicago Tribune). A beautifully packaged edition of one of García Márquez's most beloved novels, with never-before-seen color illustrations by the Chilean artist Luisa Rivera and an interior design created by the author's son, Gonzalo García Barcha. In their youth, Florentino Ariza and Fermina Daza fall passionately in love. When Fermina eventually chooses to marry a wealthy, well-born doctor, Florentino is devastated, but he is a romantic. As he rises in his business career he whiles away the years in 622 affairs—yet he reserves his heart for Fermina. Her husband dies at last, and Florentino purposefully attends the funeral. Fifty years, nine months, and four days after he first declared his love for Fermina, he will do so again. ONE OF THE MOST LOVED NOVELS OF THE DECADE. A long-lost book reappears, mysteriously connecting an old man searching for his son and a girl seeking a cure for her widowed mother's loneliness. Leo Gursky taps his radiator each evening to let his upstairs neighbor know he's still alive. But it wasn't always like this: in the Polish village of his youth, he fell in love and wrote a book...Sixty years later and half a world away, fourteen-year-old Alma, who was named after a character in that book, undertakes an adventure to find her namesake and save her family. With virtuosic skill and soaring imaginative power, Nicole Krauss gradually draws these stories together toward a climax of "extraordinary depth and beauty" (Newsday). A gorgeously romantic novel you will fall in love with and tell all your friends about! New York Times bestselling adult novelist Adriana Trigiani and beloved illustrator Amy June Bates team up for a heartwarming picture book about a how a family comes together to

celebrate Valentine's Day. Mia Valentina Amore loves valentines. After all, her name means My Valentine. When she wakes up on Valentine's Day, it looks like just another morning in the rickety old Amore house in the Blue Ridge mountains of Appalachia. But over the course of the day, her home is transformed into the House of Love. Mia and her mama festoon the halls, build a gumdrop tree, bake cupcakes, and most importantly, make valentines for all six of her siblings. But when Mia doesn't receive her own valentine, she wonders if Mama could have forgotten her. New York Times bestselling novelist and filmmaker Adriana Trigiani has crafted a tender mother-daughter story that celebrates Valentine's Day or any day that brings family together. And acclaimed illustrator Amy June Bates brings warmth and coziness to a story that affirms it doesn't matter where you come from as long as that place is full of love. Western culture has endlessly represented the ways in which love miraculously erupts in people's lives, the mythical moment in which one knows someone is destined for us, the feverish waiting for a phone call or an email, the thrill that runs down our spine at the mere thought of him or her. Yet, a culture that has so much to say about love is virtually silent on the no less mysterious moments when we avoid falling in love, where we fall out of love, when the one who kept us awake at night now leaves us indifferent, or when we hurry away from those who excited us a few months or even a few hours before. In *The End of Love*, Eva Illouz documents the multifarious ways in which relationships end. She argues that if modern love was once marked by the freedom to enter sexual and emotional bonds according to one's will and choice, contemporary love has now become characterized by practices of non-choice, the freedom to withdraw from relationships. Illouz dubs this process by which relationships fade, evaporate, dissolve, and break down "unloving." While sociology has classically focused on the formation of social bonds, *The End of Love* makes a powerful case for studying why and how social bonds collapse and dissolve. Particularly striking is the role that capitalism plays in practices of non-choice and "unloving." The unmaking of social bonds, she argues, is connected to contemporary capitalism which is characterized by practices of non-commitment and non-choice, practices that enable the quick withdrawal from a transaction and the quick realignment of prices and the breaking of loyalties. Unloving and non-choice have in turn a profound impact on society and economics as they explain why people may be having fewer children, increasingly living alone, and having less sex. *The End of Love* presents a profound and original analysis of the effects of capitalism and consumer culture on personal relationships and of what the dissolution of personal relationships means for capitalism. Jen Hatmaker reveals how to practice kindness, grace, truthfulness, vision, and love to ourselves and those around us. Once there was a gospel written in Christ's own hand: a treasure of almost unimaginable

magnitude, referred to by the Cathars of medieval France as The Book of Love... Fresh from her successful search for the long-hidden scrolls written by Mary Magdelene, journalist Maureen Pascal now finds herself on the trail of the legendary lost gospel known as the Book of Love. But just as there were those who would stop at nothing to seize and suppress the Book of Love seven centuries ago, so there are those today who are equally determined that its radical message should never be revealed. In a race across Italy and France, new dangers await Maureen and her lover Sinclair as they begin to uncover secrets and shine new light on the hidden corners of Christianity. Combining expert research with dazzling plot twists, The Book of Love is sure to thrill readers as they follow Maureen's search for clues through some of the world's greatest art, architecture and history, until a potentially fatal encounter reveals the Book of Love to her -- and to us. This book is a history of love and the challenge love offers to the laws and customs of its times and places, as told through poetry from the Song of Songs to John Milton's Paradise Lost. It is also an account of the critical reception afforded to such literature, and the ways in which criticism has attempted to stifle this challenge. Bryson and Movsesian argue that the poetry they explore celebrates and reinvents the love the troubadour poets of the eleventh and twelfth centuries called fin'amor: love as an end in itself, mutual and freely chosen even in the face of social, religious, or political retribution. Neither eros nor agape, neither exclusively of the body, nor solely of the spirit, this love is a middle path. Alongside this tradition has grown a critical movement that employs a 'hermeneutics of suspicion', in Paul Ricoeur's phrase, to claim that passionate love poetry is not what it seems, and should be properly understood as worship of God, subordination to Empire, or an entanglement with the structures of language itself - in short, the very things it resists. The book engages with some of the seminal literature of the Western canon, including the Bible, the poetry of Ovid, and works by English authors such as William Shakespeare and John Donne, and with criticism that stretches from the earliest readings of the Song of Songs to contemporary academic literature. Lively and enjoyable in its style, it attempts to restore a sense of pleasure to the reading of poetry, and to puncture critical insistence that literature must be outwitted. It will be of value to professional, graduate, and advanced undergraduate scholars of literature, and to the educated general reader interested in treatments of love in poetry throughout history. A series of short essays about love invites readers to shed their inhibitions and reservations so they can enjoy romance and intimacy more fully. By the author of A Lifetime of Love. 25,000 first printing. The author of the classic philosophical treatment of love reflects on the trajectory, over decades, of his thoughts on love and other topics. In 1984, Irving Singer published the first volume of

what would become a classic and much acclaimed trilogy on love. Trained as an analytical philosopher, Singer first approached his subject with the tools of current philosophical methodology. Dissatisfied by the initial results (finding the chapters he had written "just dreary and unproductive of anything"), he turned to the history of ideas in philosophy and the arts for inspiration. He discovered an immensity of speculation and artistic practice that reached wholly beyond the parameters he had been trained to consider truly philosophical. In his three-volume work *The Nature of Love*, Singer tried to make sense of this historical progression within a framework that reflected his precise distinction-making and analytical background. In this new book, he maps the trajectory of his thinking on love. It is a "partial" summing-up of a lifework: partial because it expresses the author's still unfolding views, because it is a recapitulation of many published pages, because love—like any subject of that magnitude—resists a neatly comprehensive, all-inclusive formulation. Adopting an informal, even conversational, tone, Singer discusses, among other topics, the history of romantic love, the Platonic ideal, courtly and nineteenth-century Romantic love; the nature of passion; the concept of merging (and his critique of it); ideas about love in Freud, Schopenhauer, Nietzsche, Dewey, Santayana, Sartre, and other writers; and love in relation to democracy, existentialism, creativity, and the possible future of scientific investigation. Singer's writing on love embodies what he has learned as a contemporary philosopher, studying other authors in the field and "trying to get a little further." This book continues his trailblazing explorations. Marriage should be based on love, right? But does it seem as though you and your spouse are speaking two different languages? #1 New York Times bestselling author Dr. Gary Chapman guides couples in identifying, understanding, and speaking their spouse's primary love language—quality time, words of affirmation, gifts, acts of service, or physical touch. By learning the five love languages, you and your spouse will discover your unique love languages and learn practical steps in truly loving each other. Chapters are categorized by love language for easy reference, and each one ends with simple steps to express a specific language to your spouse and guide your marriage in the right direction. A newly designed love languages assessment will help you understand and strengthen your relationship. You can build a lasting, loving marriage together. Gary Chapman hosts a nationally syndicated daily radio program called *A Love Language Minute* that can be heard on more than 150 radio stations as well as the weekly syndicated program *Building Relationships with Gary Chapman*, which can both be heard on [fivelovelanguages.com](http://fivelovelanguages.com). *The Five Love Languages* is a consistent New York Times bestseller - with over 5 million copies sold and translated into 38 languages. This book is a sales phenomenon, with each year

outselling the prior for 16 years running! Over 20 million copies sold! A perennial New York Times bestseller for over a decade! Falling in love is easy. Staying in love—that's the challenge. How can you keep your relationship fresh and growing amid the demands, conflicts, and just plain boredom of everyday life? In the #1 New York Times international bestseller *The 5 Love Languages*, you'll discover the secret that has transformed millions of relationships worldwide. Whether your relationship is flourishing or failing, Dr. Gary Chapman's proven approach to showing and receiving love will help you experience deeper and richer levels of intimacy with your partner—starting today. *The 5 Love Languages* is as practical as it is insightful. Updated to reflect the complexities of relationships today, this new edition reveals intrinsic truths and applies relevant, actionable wisdom in ways that work. Includes the Couple's Personal Profile assessment so you can discover your love language and that of your loved one. 'I fell in love with this book. The writing was good enough to make me forget I had a phone, put it that way' Aisling Bea A novel for anyone who has loved and lost, and lived to tell the tale. As a young woman packs up her ex-boyfriend's belongings and prepares to see him one last time, she wonders where it all went wrong, and whether it was ever right to begin with. Burdened with a broken heart, she asks herself the age-old question . . . is love really worth it? *Out of Love* is a bittersweet romance told in reverse. Beginning at the end of a relationship, each chapter takes us further back in time, weaving together an already unravelled tapestry, from tragic break-up to magical first kiss. In this dazzling debut Hazel Hayes performs a post-mortem on love, tenderly but unapologetically exploring every angle, from the heights of joy to the depths of grief, and all the madness and mundanity in between. This is a modern story with the heart of a classic: truthful, tragic and ultimately full of hope. Celebrate love with this rhyming picture book featuring enchanting illustrations and poetic text! Love and the many ways one can show it are at the heart of this sweet, charming picture book. Whether it's giving someone a big hug, offering a helping hand, or sharing words of encouragement, it's these gestures that make the world a better place to live. Emma Randall's delicate and appealing illustrations accompany delightful verses in a timeless story perfect for reading aloud with loved ones. , The words to Little Richard's "Tutti Frutti" were initially so risqué they had to be completely rewritten - in the hallway of the studio, as time was running out - before the song could be recorded. (He wrote the original version while working as a dishwasher in a bus station in Georgia.) , Paul Simon's 1972 hit "Mother and Child Reunion" takes its name from an elaborate chicken and egg dish served at Say Eng Look Restaurant in New York City. , Nirvana's huge hit "Smells Like Teen Spirit," interpreted by music critics and fans alike as an angst-ridden cry of teen rebellion,

actually sprang from a bit of graffiti accusing Kurt Cobain of smelling like an antiperspirant for young women. What the world needs now - featuring poems from inaugural poet Amanda Gorman, Ross Gay, Tracy K. Smith and more. More and more people are turning to poetry as an antidote to divisiveness, negativity, anxiety, and the frenetic pace of life. *How to Love the World: Poems of Gratitude and Hope* offers readers uplifting, deeply felt, and relatable poems by well-known poets from all walks of life and all parts of the US, including inaugural poet Amanda Gorman, Joy Harjo, Naomi Shihab Nye, Ross Gay, Tracy K. Smith, and others. The work of these poets captures the beauty, pleasure, and connection readers hunger for. *How to Love the World*, which contains new works by Ted Kooser, Mark Nepo, and Jane Hirshfield, invites readers to use poetry as part of their daily gratitude practice to uncover the simple gifts of abundance and joy to be found everywhere. With pauses for stillness and invitations for writing and reflection throughout, as well as reading group questions and topics for discussion in the back, this book can be used to facilitate discussion in a classroom or in any group setting. This original and lucid account of the complexities of love and its essential role in human well-being draws on the latest scientific research. Three eminent psychiatrists tackle the difficult task of reconciling what artists and thinkers have known for thousands of years about the human heart with what has only recently been learned about the primitive functions of the human brain. *A General Theory of Love* demonstrates that our nervous systems are not self-contained: from earliest childhood, our brains actually link with those of the people close to us, in a silent rhythm that alters the very structure of our brains, establishes life-long emotional patterns, and makes us, in large part, who we are. Explaining how relationships function, how parents shape their child's developing self, how psychotherapy really works, and how our society dangerously flouts essential emotional laws, this is a work of rare passion and eloquence that will forever change the way you think about human intimacy. What book of the Old or New Testament has generated the most commentaries in the history of the Church? Not John's Gospel, not Paul's letter to the Romans, not the prophet Isaiah, no, it is the Song of Songs. It is a book that is unknown to many Catholics, and shocking to those who discover it for the first time because of its descriptions of a lover and his beloved—God is only mentioned once and that is at the very end. And yet the greatest of the Fathers have commented on it. Origen's is the classic and St. Jerome says of it: "Origen, having surpassed all of the interpreters of all the books of Scripture, surpassed himself in this interpretation of the Canticle." St. Bernard of Clairvaux, St. Francis de Sales, St. John of the Cross, all have added to the great tradition of interpreting this book for they see it as God's love for Israel and the Church, Christ's love for Mary, for the Church, and for

each of us. The author draws on all these classics of Catholic tradition to give us a verse by verse reading of the Song of Songs which will deepen the spiritual lives of all of us—a deepening rooted in God’s word and the most profound Catholic tradition. The Instant New York Times Bestseller and TikTok Sensation! As seen on THE VIEW! A BuzzFeed Best Summer Read of 2021 When a fake relationship between scientists meets the irresistible force of attraction, it throws one woman's carefully calculated theories on love into chaos. As a third-year Ph.D. candidate, Olive Smith doesn't believe in lasting romantic relationships--but her best friend does, and that's what got her into this situation. Convincing Anh that Olive is dating and well on her way to a happily ever after was always going to take more than hand-wavy Jedi mind tricks: Scientists require proof. So, like any self-respecting biologist, Olive panics and kisses the first man she sees. That man is none other than Adam Carlsen, a young hotshot professor--and well-known ass. Which is why Olive is positively floored when Stanford's reigning lab tyrant agrees to keep her charade a secret and be her fake boyfriend. But when a big science conference goes haywire, putting Olive's career on the Bunsen burner, Adam surprises her again with his unyielding support and even more unyielding...six-pack abs. Suddenly their little experiment feels dangerously close to combustion. And Olive discovers that the only thing more complicated than a hypothesis on love is putting her own heart under the microscope. "Does anyone date anymore?" Today, the authorities tell us that courtship is in crisis. But when Moira Weigel dives into the history of sex and romance in modern America, she discovers that authorities have always said this. Ever since young men and women started to go out together, older generations have scolded them: That’s not the way to find true love. The first women who made dates with strangers were often arrested for prostitution; long before "hookup culture," there were "petting parties"; before parents worried about cell phone apps, they fretted about joyrides and "parking." Dating is always dying. But this does not mean that love is dead. It simply changes with the economy. Dating is, and always has been, tied to work. Lines like "I'll pick you up at six" made sense at a time when people had jobs that started and ended at fixed hours. But in an age of contract work and flextime, many of us have become sexual freelancers, more likely to text a partner "u still up?" Weaving together over one hundred years of history with scenes from the contemporary landscape, Labor of Love offers a fresh feminist perspective on how we came to date the ways we do. This isn't a guide to "getting the guy." There are no ridiculous "rules" to follow. Instead, Weigel helps us understand how looking for love shapes who we are--and hopefully leads us closer to the happy ending that dating promises. Welcome to more Regency fun and frolic in the romantic, bestselling Book of Love series. Now Violet Farthingale must put The

Book of Love to the test to capture Romulus Brayden's heart. What makes a man fall in love? Violet Farthingale is desperate to know because she has just been caught in Captain Romulus Brayden's home with her gown unlaced and his hands too far up her legs to explain away. It was an innocent misunderstanding, of course. She was attacked by bees and he came to her rescue. No one seems to care that nothing happened. She is now forced to marry this handsome stranger. Everyone knows Farthingales only marry for love, so how does she make this big and brawny Royal Navy captain fall in love with her? And how will she fall in love with him in under a week? Romulus Brayden has always loved the sea, and now it seems he'll have to learn to love Violet Farthingale, because she is going to be his wife. Honor demands it. After all, he did have his hands on her luscious body, and while her behavior was innocent, his certainly was not. Lusting for Violet is not the same as wanting her as his wife, but there is no way out of this scrape without ruining her, and this he will not do. She is insisting on their reading The Book of Love together. Well, why not? Braydens marry for love. Can this book lead them to love before he is recalled to duty hunting down pirates along the Cornwall coast? Read for FREE with Kindle Unlimited! The Book of Love Series Book 1 - The Look of Love Book 2 - The Touch of Love Book 3 - The Taste of Love Book 4 - The Song of Love Book 5 - The Scent of Love (Approx. March 2020) Book 6 - The Kiss of Love (Approx. June 2020) This major new work of channeled literature shows readers how to develop their own intuitive abilities and continues the program of self-development begun in Paul Selig's popular previous book, I Am the Word. In this bold, bracing, and tremendously practical new work of spiritual psychology, author and medium Paul Selig takes the channeled teachings begun in his acclaimed I Am the Word into dramatic new territory. In this fresh revelation, the invisible teachers who speak through Selig actually instruct readers on how to develop their own powers of intuition, clairvoyance, and inner knowing. The Book of Love and Creation simultaneously helps readers develop as spiritual beings within, while growing into increasingly capable, resilient, and confident individuals amid the demands of outer life. Filled with meditations, exercises, psychological insights, and affirmations, The Book of Love and Creation immediately produces change in the life of every dedicated person who approaches it. Perfect for returning readers and newcomers alike, the book is an extraordinary experience in a new body of channeled wisdom that is attracting readers across the world. A New York Times bestseller and enduring classic, All About Love is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. All About Love reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The

word 'love' is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better. You never forget your wedding day. Or the moment your twin sister pukes on your bouquet and confesses she's pregnant . . . with your fiancé's baby. I wanted to get away, to hide until my heart mended. I found myself in a strange town with a mysterious stranger whose talented mouth and hands almost made me forget it was supposed to be my wedding night. Afraid to go home to face my broken life, I pretend to be my twin so I can take her job in Jackson Harbor caring for a six-year-old girl. Imagine my surprise when I find out my new boss is my mysterious stranger--Dr. Ethan Jackson. I never meant for Ethan to discover my secrets. I never meant for them to matter. But the longer I work with him and his sweet daughter, the harder I fall, and the clearer it becomes that I'm not the only one carrying a secret that could tear us apart. Get ready to fall for the boys of Jackson Harbor in Lexi Ryan's sexy new contemporary romance series. These books can all be read as standalones, but you'll enjoy reading them as a series! *The Wrong Kind of Love* (Ethan's story) *Straight Up Love* (Jake's story - coming May 2018) *Dirty, Reckless Love* (Levi's story - coming August 2018) Welcome to Book One in the fabulous new *Book of Love* series. A dingy old book tucked away in an old Regency London bookshop holds magic and love for those who use the 'recipes'! When Lady Olivia Gosling finds *The Book of Love* in a musty bookshop, she is most eager to try out its love "recipes" on someone safe. Did she say safe? Well, Beast isn't really safe, but with her odious guardian about to marry her off to one of his unsavory friends, Olivia needs her childhood friend to fall in love with her... fast. If Beast can love her, then any man she chooses will surely do the same. Alexander Beastling, Duke of Hartford, is known as Beast among the ton. He is big and muscled, and there is a dark aura of mystery about him that he makes no effort to dispel. Now that he's returned from battle, he's appalled to learn of the marriage plans Lady Olivia's loathsome guardian has for her. Beast has decided

that he will help her find a proper husband, even if it means putting up with her ridiculous experiments taken out of a book she refers to as *The Book of Love*. Olivia calls them magical recipes for love. Is it possible they actually work? Because suddenly, Beast can't seem to get Olivia out of his mind... or his heart. Read for FREE in Kindle Unlimited! Text by Aveek Sen. Three years into the Great War, England's greatest asset is their intelligence network--field agents risking their lives to gather information, and codebreakers able to crack every German telegram. Margot De Wilde thrives in the environment of the secretive Room 40, where she spends her days deciphering intercepted messages. But when her world is turned upside down by an unexpected loss, for the first time in her life numbers aren't enough. Drake Elton returns wounded from the field, followed by an enemy who just won't give up. He's smitten quickly by the intelligent Margot, but how can he convince a girl who lives entirely in her mind that sometimes life's answers lie in the heart? Amid biological warfare, encrypted letters, and a German spy who wants to destroy not just them but others they love, Margot and Drake will have to work together to save themselves from the very secrets that brought them together. Starting in 1970, Jean Genet--petty thief, prostitute, modernist master--spent two years in the Palestinian refugee camps in Jordan. Always an outcast himself, Genet was drawn to this displaced people, an attraction that was to prove as complicated for him as it was enduring. *Prisoner of Love*, written some ten years later, when many of the men Genet had known had been killed, and he himself was dying, is a beautifully observed description of that time and those men as well as a reaffirmation of the author's commitment not only to the Palestinian revolution but to rebellion itself. For Genet's most overtly political book is also his most personal--the last step in the unrepentantly sacrilegious pilgrimage first recorded in *The Thief's Journal*, and a searching meditation, packed with visions, ruses, and contradictions, on such life-and-death issues as the politics of the image and the seductive and treacherous character of identity. Genet's final masterpiece is a lyrical and philosophical voyage to the bloody intersection of oppression, terror, and desire at the heart of the contemporary world. "Jonah Lehrer has a lot to offer the world...The book is interesting on nearly every page...Good writers make writing look easy, but what people like Lehrer do is not easy at all." --David Brooks, *The New York Times Book Review* Science writer Jonah Lehrer explores the mysterious subject of love. Weaving together scientific studies from clinical psychologists, longitudinal studies of health and happiness, historical accounts and literary depictions, child-rearing manuals, and the language of online dating sites, Jonah Lehrer's *A Book About Love* plumbs the most mysterious, most formative, most important impulse governing our lives. Love confuses and compels us--and it can destroy and define us. It has inspired our greatest

poetry, defined our societies and our beliefs, and governs our biology. From the way infants attach to their parents, to the way we fall in love with another person, to the way some find a love for God or their pets, to the way we remember and mourn love after it ends, this book focuses on research that attempts, even in glancing ways, to deal with the long-term and the everyday. The most dangerous myth of love is that it's easy, that we fall into the feeling and then the feeling takes care of itself. While we can easily measure the dopamine that causes the initial feelings of "falling" in love, the partnerships and devotions that last decades or longer remain a mystery. This book is about that mystery. Love, Lehrer argues, is not built solely on overwhelming passion, but, fascinatingly, on a set of skills to be cultivated over a lifetime. This heartwarming follow-up to *An Awesome Book!* explores the many faces of love, from self-published sensation Dallas Clayton *Take a walk on the loving side* as each page of *An Awesome Book of Love* perfectly details just how your heart feels in loving moments. There are so many different kinds of love—the way you love your husband or wife, the way you love your child, the way you love your parents—and Dallas Clayton knows just how to describe them all. Filled with colorful and vivacious illustrations, this hardcover is a perfect gift for Valentine's Day—or really for any day you'd like to tell someone special how much you care. David Bidini, rhythm guitarist with the Rheostatics, knows all too well what the life of a rock band in Canada involves: storied arenas one tour and bars wallpapered with photos of forgotten bands the next. Zit-speckled fans begging for a guitar pick and angry drunks chucking twenty-sixers and pint glasses. Opulent tour buses riding through apocalyptic snowstorms and cramped vans that reek of dope and beer. Brilliant performances and heart-sinking break-ups. Bidini has played all across the country many times, in venues as far flung and unlike as Maple Leaf Gardens in Toronto and the Royal Albert Hotel in Winnipeg. In 1996, when the Rheostatics opened for the Tragically Hip on their *Trouble at the Henhouse* tour, Bidini kept a diary. In *On a Cold Road* he weaves his colourful tales about that tour with revealing and hilarious anecdotes from the pioneers of Canadian rock - including BTO, Goddo, the Stampeders, Max Webster, Crowbar, the Guess Who, Triumph, Trooper, Bruce Cockburn, Gale Garnett, and Tommy Chong - whom Bidini later interviewed in an effort to compare their experiences with his. The result is an original, vivid, and unforgettable picture of what it has meant, for the last forty years, to be a rock musician in Canada. A tender and wise ode to love, illustrated with an expertly curated selection of fine art for young children *Art*, like anything else, is only as meaningful and interesting as it is relatable. For toddlers and preschoolers, connecting their own experiences of love to those they see on the canvas allows them to truly engage with the material. 35 full-page artworks feature love in all its forms,

accompanied by a brief and gentle read-aloud text. Each artwork's title and artist's name are included as secondary read-aloud text, for true integration of narrative and information. This stylishly compact art book is this first title in the My Art Book series, which suits lovey and artsy families alike! Ages 2-4 We are conditioned to think love's purpose is to heal wounds, make us happy, and give our lives meaning. When the opposite occurs, and love causes us to feel fractured, disenchanted, and full of existential turmoil, our suffering is compounded by the sense that love has failed us, or that we've failed to experience what so many others effortlessly enjoy. In this eloquently argued, psychologically-informed book, Mari Ruti portrays love as a much more complex, multifaceted phenomenon prompting us to access the depths of human existence. Love's ruptures are as important as its triumph.
